

Nuclear Institute Events

One of the Nuclear Institute's primary functions is to provide the means for our members and associates to meet and share their knowledge and experiences with each other as well as external stakeholders. Consequently the Nuclear Institute organises or supports a number of events each year both nationally and at a branch level. These events cover a diverse range of topics across the whole of the nuclear industry. Our events are open to members and non-members and are an opportunity for interested parties to find out more. Events include:

- International Conferences and Seminars
- Regional Lectures
- Speaking Competitions
- Formal Dinners

NI Cumbria branch is launched with an address from Jamie Reed MP

Stephen Henwood, NDA Chairman, addresses N.W. Annual Dinner

Carol Johnson & Fran Williams host the first "An Audience with..." event 2009

Annual Dinner

The Nuclear Institute holds its annual dinner each year in London after the Energy Choices Conference. The event is attended by over 1200 NI members and by hundreds of different companies representing a large proportion of the UK nuclear industry. The event includes an industry related presentation focussing on current nuclear affairs provided by a high profile speaker.

Delegates at the prestigious Energy Choices Conference

Over 600 in attendance at North West Annual Dinner

Event Updates

These are publicised through Nuclear Future and the NI or alternatively you can register at www.nuclearinst.com to receive the NI RSS alerts of new Events.
