

# A Rough Guide to Environmental Practice 2010

**Tuesday 20<sup>th</sup> April 2010**

**Nuclear Institute YGN one day informative guide to Environmental practice in the nuclear industry.**

**Includes visit to:**

**Joint European Torus (JET) Fusion Reactor, Culham**

**Cost per delegate (includes lunches, refreshments transport to/from Culham and tour):**

YGN Members:	£60	+	£10.50 VAT	= Total £ 70.50*
NI Members:	£95	+	£16.63 VAT	= Total £ 111.63*
Non NI Members:	£115	+	£20.13 VAT	= Total £ 135.13*

\* price change as a result of VAT increase

The seminar is restricted to 45 delegates.

Please register **ASAP** to:

Mackenzie Page, EDF Energy, 90 Whitfield Street, London, W1T 4EZ

Tel: 0203 2196638, Email: ([Mackenzie.page@british-energy.com](mailto:Mackenzie.page@british-energy.com))

# UKAEA

# SEMINAR PROGRAMME

## A Rough Guide to Environmental Practice 2010

The YGN 'A Rough Guide to Environmental Practice 2010' seminar will bring together a number of experienced and highly respected environmental professionals to present on a broad range of topics in the UK nuclear industry. The 'Rough Guide' will provide an opportunity for professionals with an interest in environmental practices to learn about issues associated with operational; decommissioning and defence sites, and Nuclear New Build.

Speakers from the Environment Agency, Research Sites Restoration Limited, ENTEC, EDF Energy, NUVIA, UKAEA, AWE and Golder Associates will present on a number of areas covering legislation and regulation, UK nuclear site issues and specific technical areas such as contaminated land and radioactive waste management. A visit to the Joint European Torus (JET) fusion reactor at Culham is also included in the programme.

The event is taking place on 20<sup>th</sup> April 2010 at the HPA offices, Harwell. This event is closely linked to the NEDCON 2010 event being held on 21<sup>st</sup> and 22<sup>nd</sup> April 2010 at HPA. Both events have a combined website (<http://nedcon10.nuclearinst.com>) where delegates can register for either event.
